29 I think the resolution of the District Board dated 14-9-29 embodied a very equitable settlement. The Cattle Show at Ramanathapur was originated by the then existing Taluk Board of the Arkalgud Taluk and is being conducted under the auspicies of the District Board. But the success of the Cattle Show depends chiefly on the attractiveness of the Jatra which is held annually in connection with the Car festival of Sri Subrahmanyaswami of Ramanathapur. The local Panchayet has also to incur some liabilities on account of the holding of the Jatra and the Cattle Show. It seems to me therefore that this is pre-eminently a case for settlement in accordance with the instructions conveyed in the Financial Secretary's letter No.1756/ Muz.119-19-24 dated 19-3-27. The District Board having organised the Cattle Show is certainly entitled to a share in the income and as the Cattle Show depends for its success on the Jatra the Temple is equally entitled to a share. The liability of the Panchayet is, however, proportionately small.

For these reasons, I would suggest that the net income i.e., the total receipts - minus - the actual sanitation charges incurred by the District Board may be divided between the District Board, the Temple and the Village Panchayet in the proportion of 2/5th, 2/5th and 1/5th.

Sir,

In forwarding herewith a copy of the resolution passed by the District Board, held on 14th Septr. 1929 re: the apportionment of the realisations from the cattle show at Ramanathapur in the Arkalgud Taluk, I have the honor to state as follows:-

The cattle show was organised by the District Board under orders of Government in their No. 3124-8/L.B. 11-11-4, dated 2nd Novr.1911. The realisations are being credited to the District Funds as per above orders uptil now, the expenditure also being debited to District Funds.

On the receipt of Government order No.L.8294-5/L.B. 82-24-10, dated 19th May 1925 asking me to report the decision of the Board regarding the apportionment of the balance of Rs 407/7 remained after defraying the expenses connected with the function, the same was considered by the Board and the Board resolved at their meeting held on 29th Septr.1920, that the show will be run by the Board but the surplus income from the show, held at Ramanathapur in December 1924, be apportioned between the Sri Subrahmanyaswami temple and the Village Panchayet, as recommended

by the Taluk Board.

Government in their Order No.L.2198/L.R.82-24-14, dated 21st Septr.1925 approved the above proposal of the Board as a temporary measure pending final orders regarding the apportionment between the Muzrai Department and District Boards, of Cattle show collection.

On receipt of the letter No.L.Dis.499-27, dated 7th Novr. 1928 from the Deputy Commissioner, Hassan District requiring me to arrange for the apportionment of the cattle show realisations between the temple and the District Board, the same together with the Yadi No.109, dated 5th November 1928 from the Ramanathapur Village Panchayet in the matter of transferring the realisations of cattle show funds to the Village Panchayet of Ramanathapur and by allowing them to establish a toll gate within the Panchayet limits, was considered by the Board, at their meeting held on 14th Septr.1929, and the Board approved the following resolution of the standing committee:-

> "The proposal cannot be accepted. Cattle shows and tolls are not matters within the scope of Village Panchayets. A reference may be made to Government in the matter

According to the Government Order No.L.5568-86/L.B. 64-25-59, dated 14th March 1928, prescribing revised rules for regulating cattle shows and fairs to be held by District Boards, it is very clear that all the expenses connected with the show including the cost of prizes, and of sanitary and other arrangements shall be met out of District Funds to which private subscriptions, if any and fees levied on cattle admitted to the show shall be credited.

The cattle show in question is being held at the time of the Sri Subrahmanyaswami jatra and not in connection with the

16

Jatra as may be seen from Deputy Commissioner's letter No. 95/5, dated 19th Septr.1911, addressed to Government so long ago.

Under the above circumstances, the Village Panchayet has not got any claim for any portion of the realisations during the cattle show, excepting the net income of December 1924 agreed to by the District Board and sanctioned by Government, and request you to kindly obtain suitable orders in the matter early.

A copy of the resolution of the Board is enclosed.

I have the honor to be,

Sir,

I have the honour to forward herewith letter No. P.R. 68-29 dated 1..-1-1930 addressed to you by the President, District Board, Hassan, in re: the claim of the Ramanathapur Village Panchayet to the realisations of the Ramanathpur cattle show and to state that the claim of the Panchayet to at least a portion of the show realisations appears to be reasonable and may be admitted.

2. I presided over the Prize distribution of the Cattle show held last month and the Director of Health, Doctor Harve, was was also present with me on the occasion and he regarded conservancy and sanitary arrangements made at the place on the occasion as not satisfactory and I learn t at even the little staff of the District Board that had been detailed for supervision of these arrangements was withdrawn immediately after the Prize distribution was over, though the large concourse of men and cattle continued at the place for a couple of days more.

3. Under the Village Panchayet Regulation, the local village Panchayet are responsible and have to make proper conservancy and sanitary arrangements in the village, whether the District Board see to such arrangements or otherwise. This involves some extra expenditure, which it may not be fair to ask the Panchayet to bear without any return.

In view of this fact and the fact that the Cattle show is being held within the limits of the Panchayet area, whether or

on occupied or unoccupied lands, and shops etc., are being located within the village itself. I am of opinion that the claims of Panchayets for a portion of the cattle show realisations is but fair and may kindly be sanctioned by Government.

His Highness the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No.L.6002/L.B.113-29-4 dated the 11th February 1930, calling for a statement of the details of expenditure incurred by the District Board of Hassan and the Ramanathapur Village Panchayet in connection with the Cattle show at Ramanathapur, I have the honour to forward herewith for information copies of the District Board President's letter No.A. III P.R. 320-29 dated 12-3-1930 and of report No.Glz8900 dated nil (received in this office on 26-3-1930) from the Amildar of Arkalgud Taluk in the matter.

From the figures of receipts and expenditure furnished by the District President it is seen that the average annual income and expenditure of the cattle show were about Rs 1368/- and Rs 450/- respectively. The Amildar, Arkalgud Taluk reports that the Village Panchayet have not incurred any expenditure in connection with the show, so far, but have to do so in the interests of better sanitation of the village after the cattle show is finished. I think that as already recommended in my letter No.P.R.206-29 dated 16th January 1930, a portion of the cattle show realisations may be given over to the Village Panchayet for the purpose.

I request you to kindly move the Government and obtain their orders on the subject at an early date.

I have the honour to be,
Sir,
Your most obedient servant,
S. Abdul Wajid.

Report No. 8900 dated Nil, from the Amildar, Arkalgud Taluk to the Deputy Commissioner, Hassan District.

With reference to order No.Gl.907-29/L.S.G. dated 24-2-1930, calling for information regarding the expenditure incurred by the local Village Panchayet in connection with the cattle show held at Ramanathapur, I beg to state that no expenditure is incurred by the Village Panchayet for the purpose. After the close of the cattle show last year no attempt was made by the District Board to improve the sanitary condition. Due to a large crowed which assembled from various places for the jatra and the cattle show. The stinking smell was amanating from the village proper for a long time. The village was allowed to take care of itself. The resources of the village panchayet are too slender to enable the Panchayet to take up the work of restoring it to the previous sanitary condition. The sun and the air along did their work. - Fortunately no epidemics broke out in the village. It is therefore proposed that either the District Board which derives large profits from the cattle show should be compelled to look to this all important work satisfactorily or the panchayet should be allowed to have a share of the profits.

OFFICE OF THE DEPUTY COMMISSIONER,

L 1063

Dear Sir,

As desired in the Secretariat Demi Official letter No. L. P. 113-29-5 7452/L.B. 119-29-6 dated 15-4-1930, I enclose herein a copy of a statement shewing the details of expenditure incurred by the Hassan District Board in connection with the Ramanathpur Cattle Show during 1927-28, 1928-29 and 1929-30, which was furnished by the District Board President with his No. A.III P.R. 320-29 dated 27-9-1930.

In view of the fact that the Cattle Show is usually held for a couple of days, the expenditure said to have been incurred appears to be too much and in fact the conservancy and sanitary arrangements during the show of 1930 were very unsatisfactory, as already mentioned in my letter No. Gl. 12681-29 dated 18-1-1930. The lighting arrangements also do not seem to have been quite satisfactory.

Yours sincerely,

To

THROUGH
THE MUZRAI COMMISSIONER IN MYSORE,

SIR

B A N G A L O R E.

With reference to the General Secretary's letter No. L. 7452 L.B. 113-29-6 dated 15th April 1930 calling for a statement showing the expenditure incurred by the District Board Hassan, under the various heads for the three years 27-28 to 1929-30 out of the Cattle Show income at Ramnathapur held in connection with the Car Festival of the Sree Subramanyeswaraswami at the place and the General Secretary's Memo No. 1274 Muz. 6-30-4 dated 3rd December 1930 calling for report through the Muzrai Commissioner in Mysore on the petition of Mr. Shama-char, Dharmadarsi of the above temple complaining that the shop-rent collected by the District Board during the car festival has not been paid to the temple etc, I have the honor to state as follows:-

2. Since the year 1911 a cattle show is being held at Ramanahhapur by the District Board authorities. The car festival of the local Sree Subramanyeswaraswamy is made the occasion for the holding of the Show. The income in connection with the Show from the different sources viz., shop site fees, fees on cattle, sale of manure etc., after deducting all expenses such as lighting and sanitary arrangements, is hitherto being appropriated by the Board.

Due, probably to pressure from the devotees of the temple a Village Panchayet, the District Board resolved at their meeting

on 16th July 1925 that the net income from the Show held in December 1924 should be apportioned between the Panchayet and the temple and Government were pleased in their Order No.L. 2198/L.B. 82-24-13 dated 21st September 1925, to approve of the proposal of the Board as a temporary measure pending final orders on the general question of sharing the income between the Board and the Muzrai Department. This order has not been given effect to till now.

3. Subsequently the President of the District Board addressed a letter to the General Secretary to Government forwarding the resolution of the Board passed at their meeting held on 14th September 1929, wherein the Board had altogether resiled from their original resolution of 16th July 1925 and resolved that the claims of the Village Panchayets for a share in the income from Cattle Shows could not be accepted as Cattle Shows and tolls are not matters coming within the scope of Village Panchayets. The President also relied on G.O. L. 5568-86 L.B. 64-24-59 dated 14th March 1928 prescribing that all Cattle Shows shall be organised by District Boards.

After some further correspondence, the President finally reported in his letter No. P.R. 68-29 L.F. dated 11th January 1930 to the General Secretary to Government that the lands on which the Show is being held are private occupied lands and those on which the shops are being held form the Panchayet area. While forwarding this letter to Government my predecessor Mr. S. Abdul Wajid observed that in view of the fact as he personally noticed, that the District Board have not been making adequate sanitary arrangements and were even the scanty scavenging staff would be withdrawn by the Board immediately the Show was over entailing bulk of scavenging work on the Village Panchayet, the claim the Panchayet for a share in the Cattle Show income was but sonable.

4. Again Mr. Shamachar having urged for the consideration of Government that in spite of the G.O. of 21st September 1925, the Board have not taken steps to cede the income to the temple and the Panchayet, the Government called for a report through the Muzrai Commissioner who has called for a yearwar statement showing the income and the expenditure under the several heads since the inception of the Show. The statement as required above is herein enclosed.

5. As regards the claims of the temple and the Village Panchayet for a share in the Cattle Show income, the Board rely on the G.O. of 14th March 1928 directing that all Cattle Shows held in non-municipal areas and special Sanitary Boards ~~are as~~ areas shall be organised by the District Boards and altogether refuse to consider the claims of the temple and the Village Panchayets. I may say that the Board would have been justified in their refusal if the Show had been held independently of, and not as an adjunct to, the car festival. In the case in point, it is only the car festival that is made the main occasion for holding the Cattle Show. The convention, in regard to the appropriation of the income from cattle shows held in connection with Muzrai Institutions is to surrender the whole surplus to the Muzrai Institution although the Shows happen to be managed by District Board or Municipal Councils.

6. For the foregoing reasons I am of opinion that the District Board should hand over to the temple all the proceeds after defraying actual expenditure incurred by them on sanitary arrangements. If the Village Panchayet incur any expenditure it should also be charged to the Cattle Show, receipts, before the surplus is handed over to the Muzrai Institution.

If the garbage is removed by the Village Panchayet after the conclusion of the Jatra the manure may be, if possible, put to auction and the sale proceeds credited to the Jatra collections and the cost of tydying up and restoring the village site to its normal condition

treated as part of the obligatory expenditure. The District Board should in my opinion be enjoined to see that the expenditure is always kept within the receipts and in no case exceeds a certain portion of the total collections.

I have the honor to be.
S i r,
Your most obedient servant;

Deputy Commissioner, in charge
Hassan District.

ORDER NO: L 8375-7

Dated, Bangalore, the 21-6-32

The cattle show at Ramanathapur was originated in 1911 by the then existing Taluk Board of Arakalgud and Ramanathapur and is being conducted under the auspices of the District Board. But the success of the cattle show depends chiefly on the attractiveness of the Jatra which is held annually in connection with the car festival of Sri Subrahmanyaswami of Ramanathapur. The local Panchayet has also to incur some liabilities on account of the holding of the Jatra and the Cattle-show. The District Board having organised the cattle show is certainly entitled to a share in the income and as the cattle show depends for its success on the Jatra, the temple is equally entitled to a share. The liability of the Panchayet is however proportionately small.

Government therefore direct that the net income from the Cattle show i.e., the

total receipts minus the actual sanitation charges incurred by the District Board, may be divided between the District Board, the temple and the Village Panchayet in the proportion of 2/5th, 2/5th and 1/5th.
